0	Help		

The dashboard provides an overview of all transactions for the currently selected account. If you haven't added an account yet, click "Add" to add one now.

"Date Range" allows you to adjust the timespan. Hover your mouse over the individal bars under "Allocation" to display the correspondingm amounts in absolute figures. Hover the mouse over "Balance Development" to display the total sum for the affected time.

2. Recurring

You can review recurring transactions e.g., rental payments, here. Click "Add New Recurring" to add transactions.

0	Help				+ ADD NEW TRANSACTION			

This section is the core of Ashampoo Money. It lists all transactions across available accounts and allows you to add your outgoing and incoming payments. Use the top settings to filter the list for individual entries. Click a column label to sort the table accordingly.

3.1 Custom table views

The controls above the table allow you to customize the table view.

Columns

Use the toggle buttons to show/hide individual columns and the text field to search for column labels.
